

Text Mining and Human Language Technology

- Text Mining:

1 year

focus: text mining

knowledge and skills

- Python (6 ec)
- Machine Learning (6 ec)
- NLP Technology (6 ec)
- Text Mining (12 ec)

Human Language Technology:

2 year

broader/personal focus

research

- Python (6ec)
- Machine Learning (9 ec)
- NLP Technology (9 ec)
- Subjectivity, Robotics, Experiments, ...
- electives, nat. research school
